

## How to join a Microsoft Teams Webinar

### If you have the Teams app downloaded on your mobile or desktop

- Step 1: Go to the event invite and select Join event 
- Step 2: This will open your Microsoft Teams app **or** you may see a pop up which asks if you want to open the Microsoft Teams app – in this case click Open Microsoft Teams.
- Step 3: Select Join now in the Microsoft Teams app and you will join the lobby for the event. Once the event starts you will gain access to the main room.

### If you don't have the Teams app

- Step 1: Go to the event invite and select Join event, this will open a web page.
- Step 2: On the web page select continue on this browser (*see image below*). Your browser may ask if it's okay for Teams to use your mic and camera.
- Step 3: Enter your name in the box provided and click Join now. This will bring you into the event lobby. Once the event starts you will gain access to the main room.

If you have any problems joining the event please email [events@thefrontline.org.uk](mailto:events@thefrontline.org.uk) and someone will respond as soon as possible.
